In re Application of :  
Gary Ellis : DECISION ON PETITION  
Application No. 10/825,262 :  
Filed: 14 April, 2004 :  
Atty Docket No. ELLISG04-01CIP :

This is a decision on the petition, filed on 9 June, 2005, under 37 CFR 1.137(f) which is treated as a petition to revive the above-identified nonprovisional application under the unintentional provisions of 37 CFR 1.137(b).

The petition is **GRANTED**.

Petitioner states that the present nonprovisional application is the subject of a foreign or international application filed on 13 April, 2005. However, the U.S. Patent and Trademark Office was unintentionally not notified of this filing within 45 days subsequent to the filing of the subject application in a foreign country.

In view of the above, this application became abandoned pursuant to 35 U.S.C. § 122(b)(2)(B)(iii) and 37 CFR 1.213(c) for failure to timely notify the Office of the filing of an application in a foreign country, or under a multilateral international agreement, that requires publication of applications 18 months after filing.

A petition under 37 CFR 1.137(f) must be accompanied by:

- (1) the reply which is met by the notification of such filing in a foreign country or under a multinational treaty;

(2) the petition fee as set forth in 37 CFR 1.17(m);  
and

(3) a statement that the entire delay in filing the  
required reply from the due date of the reply until the  
filing of a grantable petition was unintentional.

The present petition has been found to be in compliance with 37 CFR 1.137(f). Accordingly, the failure to timely notify the Office of a foreign or international filing within 45 days after the date of filing of such foreign or international application as provided by 35 U.S.C. § 122(b)(2)(B)(i) has been rescinded.

A Communication Regarding Rescission of Nonpublication Request and/or Notice of Foreign Filing, which sets forth the projected publication date of 1 December, 2005, is enclosed herewith.

The address provided in the petition is different than the correspondence address of record. A courtesy copy of this decision is being forwarded to the address listed in the petition. All future correspondence will be sent solely to the address of record, however. If the correspondence address has changed, petitioner should file a Change of Correspondence Address.

The application is being referred to Technology Center Art Unit 3713 for examination in due course.

Any inquiries concerning this decision may be directed to the undersigned at 571.272.3231.
